Presentation

Bring your lunch...eat and network!

Water and light snacks will be provided.

How to Affect Policy Change for Illinois Citizens with Disabilities will be presented by Deb Hamilton of IPADD (Illinois Parents of Adults with Developmental Disabilities, Unite!). Have you ever wondered how to be a better advocate for adults with developmental disabilities? Deb will show you how to lobby in a more objective fashion by using data and dollars to evaluate and motivate your state legislators. The 2017 Illinois Community Living Report, a project of IPADD, will be used to analyze the voting record of current state legislators. Discussion of Inclusion PAC, a political action committee with the aim of shaping Illinois policy as it relates to home and community living for Illinois citizens with disabilities will also be included.
